**MEMORANDUM OF AGREEMENT
COMMON TERMS OF SETTLEMENT**

The following issues have previously been agreed to as part of the lead table process and will be applicable to all CUPE collective agreements in the nursing home sector.

ITEM 1: REQUIRED EDUCATION

- 1) The Employer shall provide and fund any Employer required training/education for an employee.
- 2) Any time spent in such training or educational sessions shall be considered time worked but will be paid at the regular hourly rate of the employee.
- 3) If the Employer permits, an employee may bank the hours earned in paragraph 2. Any banked hours shall be taken at a mutually agreed time.
- 4) The employee shall be reimbursed for authorized costs related to registration fees, textbook costs and course fees. Other related costs for travel, lodging and meals will be reimbursed in accordance with the Employer's travel policy.

ITEM 2: GUIDELINES FOR WCB SUPPLEMENT FROM SICK LEAVE

A joint provincial committee created in according to the expired Collective Agreement developed guidelines for a common application of the top-up while in receipt of WCB benefits under the existing Collective Agreement language. The following are the committee guidelines to ensure that Employees are supplemented correctly from their sick leave credits:

Top up supplement on benefits

- 1) Where sufficient sick leave credits are available an employee will be topped up to the net pre accident earning. The top up is to bring the temporary earning replacement benefits (herein after referred to as "TERB") received by WCB to the net pre accident earning.
- 2) If the Employer pays only the supplement from the sick leave bank, the sick leave bank should be debited by the amount necessary to bring the TERB to the net pre accident earning.
- 3) If the Employer pays employees from the sick leave bank for the entire WCB leave and then collects from WCB, the Employer must ensure that Employees are only paid the net pre accident earning amount for sick days and that when the TERB is received from WCB by the Employer the sick leave bank of the Employee is credited with the amount equal to the TERB received by WCB. If the sick leave bank is maintained in hours (not dollars) the Employer must convert the amount received by WCB into hours.

Waiting period

- 4) In addition to the supplement to the WCB TERB, Employees will also receive sick leave entitlement for the first two days associated with the WCB claim. The two initial days are unpaid by WCB and accordingly the employee will be paid from sick leave banks.

- 5) In the event that an Employee is in receipt of TERB from WCB for a period in excess of five weeks, the Employee will be paid by WCB for the initial two unpaid days after five weeks. If the Employee is paid directly from WCB they are required to provide the Employer with reimbursement of the WCB TERB for the 2 sick days previously paid. The Employer will then credit the sick leave bank of the Employee with the number of credits equivalent to the TERB for that 2 day period. In the event that there is any change to the WCB payments with respect to the timing or entitlement to the 2 days, the Employer will adjust the payment entitlements in accordance with the Collective Agreement.

- 6) If the Employer is paying the Employee directly and accepting reimbursement from WCB the Employer must adjust the sick bank in accordance with the receipt of the reimbursement for TERB for the two day waiting period.

- 7) Any Employee who goes on WCB will be advised that they will be provided top up in accordance with the collective agreements provided that they have sufficient sick leave in his/her bank. Employees will be advised of any remission or reporting obligations that they may have while in receipt of WCB benefits.

- 8) If requested by the Employee and upon return to work from a period of WCB during which the Employee received top up, the Employee will be advised of the balance in his or her sick leave bank and the total hours or dollars of sick time used to provide top up during his or her absence on WCB.

IN WITNESS WHEREOF the Parties hereto have executed this Memorandum of

Agreement on the 11 of May, 2021.
